| Dear Dr. Henney, I am writing to express my concern over the FDA's regulation of genetically engineered (GE) food. I request that the agency's current policies be changed, and I support all the points in docket #00P-1211\CP1 All GE foods should be labeled so I am informed and have a choice. AGE foods should not be assumed to be "generally recognized as safe" and should have mandatory pre-market safety testing. There should be a moratorium on GE foods until long-telm "U studies show they are safe for human health and the environment. (Additional Personal Comments:) I believe that it's important to My health and to that of the chylican mane to know exactly what I make the control of the chylican mane to know exactly what I make the control of the chylican mane to the control of the chylican mane to the children and the control of the chylican mane to the children and the chylican mane to the children and the | Commissioner Jane Henney Docket No.00P-1211\CP1 FDA Dockets Management Branch (HFA-305) 5630 Fishers Lane, Room 1061 Rockville MD 20852 |
